INVITATION FOR QUOTATION

**Invitation for Quotation for Advisory Services and Project Manager for
Construction and Engineering Projects Somalia wide initiated by
Somalia Stability Fund
IFQ Reference No.: CF-SR-NW-01**

The Somalia Stability Fund (SSF) is a multi-donor fund supporting peace and stability in Somalia. SSF has set aside funds to cover eligible payments under one or more contracts for Advisory Services and Project Manager for Construction and Engineering Projects Somalia wide initiated by Somalia Stability Fund.

To assist with the fulfilment of these objectives, SSF is now seeking the services of one or more Engineering Consultant firms that are well experienced to provide Advisory Services to SSF and to act as Project Manager during the implementation phase of Works construction contracts.

SSF invites quotations (“Bids”) from eligible entities (“Bidders”) to provide the Work/s referenced above for a 12 months period which is being offered as indefinite quantity contract/s.

Bidding will be conducted using Competitive Bidding and is open to all eligible Bidders that meet the following minimum qualification criteria: have performed similar consulting services contract of a similar nature within the last 3 years and have proposed staff who are fluent in speaking and writing in Somali and English.

General details relating to the project are highlighted below:

- › **Location:** Various locations throughout Somalia
- › **Description of work:** The Contract is for the engagement of Engineering Consulting firm/s that are well experienced and qualified in providing advisory services and act as Project Manager/s for the implementation of various engineering projects and provide regular reporting and updates to SSF.
- › The key skills required to accomplish the Advisory Services and Project Manager duties are:
 - Civil Engineering – Building construction
 - Civil Engineering – Road works
 - Civil Engineering – Flood defence barriers
 - Electrical Engineering – Solar (both power and lighting)
 - Water Engineering – Hydrogeology, Drilling works, Pumping (surface and submersible), Irrigation and Distribution.
 - Environmental Engineering – Environmental impact assessments

The Consulting firm will be permitted to subcontract for skills not available internally within the firm’s staff.

- › **Type of Award:** Indefinite Quantity
- › **Bid Closing Date:** 21 December, 2016 1200 Hours (EAT)

If you wish to obtain the Invitation for Quotation (IFQ Reference No.: CF-SR-NW-01), in order to bid for this work, please send a request to procurement@stabilityfund.so

Kind regards,

The Somalia Stability Fund
